

Linea Group Launches All New Website

Press Release

Linea Group is inviting visitors to explore its all new website and on-line brochures.

The website has been designed to provide the ultimate user-friendly experience with improved navigation and functionality throughout, allowing clients access to detailed service offer and background information, articles, case studies and testimonials.

Our associate consultants and industry professionals have access to the latest opportunities in the field of Organisational Excellence in addition to a range of industry leading professional support services.

There is the option to share information across all major social networking sites.

The site includes extensive service offer information to help customers understand Linea's complete range of Organisational Excellence solutions.

Clearly written, subject specific pages supported by schematic models and application case studies work together to provide a detailed overview of Linea's capabilities across a wide range of sectors, including

Healthcare, Retail, Local and Central Government, Finance, Manufacturing, I.T. And Professional Services.

Created with the user experience firmly in mind, the website has been designed using the latest technology so the site is compatible with the full range of today's browsers and mobile devices .

In addition, helping to make Linea Group's portfolio of training services easy to browse is the new Linea e-brochure, which can be accessed via the training pages on the new website. The e-brochure is regularly updated with new trainings so that clients can always access the latest developments and download the very latest training information pages.

Visitors can also stay informed with the latest news of the company, and developments in Organisational Excellence. The News Desk and Latest Thinking pages feature the latest announcements, service innovations and opinion pieces from our industry experts. Furthermore, the new website allows users to share products and pages that interest them with others across LinkedIn, Facebook, Twitter and Google+.

Linea is a results focused organisational excellence consultancy with a track record of delivering sustained superior performance that meets and where possible exceeds client expectations.

We combine the credentials of a top tier firm with the depth of expertise and flexibility of a niche practice to support clients in addressing their most pressing organisational issues through the provision of highly professional, innovative, customer focussed solutions which deliver expected business benefits on time every time.

With an exceptional track record of delivering multi-million pound savings for prominent Public and Private Sector clients, our Organisational Excellence approach provides the skills and capability required to support clients to maximise efficiency, improve quality and reduce cost.
