

## Linea Group Announces Double ISO & OHSAS Certification

### Press Release

Linea Group is proud to announce it is now certified to the following operating standards:

- **ISO 9001 Quality Management**
- **ISO 14001 Environmental Management**
- **OHSAS 18001 Health & Safety Compliance.**

**ISO 9001** is the internationally recognised standard for Quality Management systems, designed to ensure organisations meet the needs of customers, shareholders and employees through the provision of high quality service standards.

**ISO 14001** is the internationally recognised standard for Environmental Management. It prescribes strict controls on activities which can have an effect on the environment. These include the use of natural resources, handling and treatment of waste and energy consumption.

**OHSAS 18001** is the internationally recognised standard for Health & Safety compliance. It ensures adherence to health and safety policy and procedures at all levels of the organisation; providing employees with a safe working environment and clients with assurance regarding risk management and regulatory compliance.

Ian Chambers (Chief Executive, Linea Group) said, 'Linea has had the opportunity in the last two years to invest in the business to improve services for our clients in the Organisational Excellence space. As well as investment in infrastructure, training and the provision of additional services, Linea has worked

extremely hard on gaining accreditations through ISO and OHSAS. We believe that this process will continue to ensure consistent quality of service for our clients.'
