

Six Month Extension for G Cloud 5

Press Release

HM Government Approved G-Cloud 5 Supplier

The [G-Cloud 5](#) (G5) framework will be available on the [Digital Marketplace](#) for another six months, in line with the terms of the Official Journal of the European Union (OJEU). The extension has been put in place to ensure continuity of service for customers during the development of G-Cloud 7. G5 is now due to end 22 November 2015.

Two iterations of the G-Cloud framework are currently available on the Digital Marketplace, G-Cloud 5 and [G-Cloud 6](#).

Suppliers on the G5 framework have been notified by email from Crown Commercial Service.

The Crown Commercial Service confirmed the fifth version of its cloud procurement framework

would no longer close on 22 May, as previously planned.

Instead, it will now remain in operation for a further six months, “to ensure continuity of service for customers during the development of G-Cloud 7”.

Linea is a results focused organisational excellence consultancy with a track record of delivering sustained superior performance that meets and where possible exceeds client expectations.

We combine the credentials of a top tier firm with the depth of expertise and flexibility of a niche practice to support clients in addressing their most pressing organisational issues through the provision of highly professional, innovative, customer focussed solutions which deliver expected business benefits on time every time.
