

## Linea Wins in the 2016 Recruitment Awards

### Press Release

**RECRUITMENT  
AWARDS 2016**

Linea Recruiting Ltd has been named as the winner of the **Award for Excellence in Executive Interim Support - UK** in the 2016 CV Magazine Recruitment Awards.

CV Magazine is a quarterly publication, read by a worldwide network of CEOs, directors and other top-level professionals as well as investment professionals, our readers are a mix of C-level executives from different corporate backgrounds.

CV Magazine says 'Recruitment agencies play an increasingly prominent role in the hiring process, for both job-seekers and firms, owing to the industry's reputation for diligence, dedication and intuition.

As such, the 2016 Recruitment Awards are designed to focus on the firms, and the people behind them, that have driven the industry to this enviable reputation. The program looks to reward and recognise the very best consultants, recruiters and industry experts from around the world, regardless of business size or reputation. Skill, dedication and client service are the key focus, not profits or location.

All the awards are given on merit alone and as such only the most deserving firms, departments and individuals are awarded. Each vote is subject to a rigorous and in-depth judging process, meaning that all successful nominees can be safe in the knowledge that they are truly among the very best in their field.'

Linea's Chief Executive, Ian Chambers said 'We are extremely pleased and proud to have won this award. At Linea, we strive to provide our clients with the best service possible and supply them with the best professional interim support.

Organisational Excellence is the basis of Linea's working practice, which of course is assisted by our team of highly qualified interim consultants.'

Linea is a results focused organisational excellence consultancy with a track record of delivering sustained superior performance that meets and where possible exceeds client expectations.

We combine the credentials of a top tier firm with the depth of expertise and flexibility of a niche practice to support clients in addressing their most pressing organisational issues through the provision of highly professional, innovative, customer focussed solutions which deliver expected business benefits on time every time.

With an exceptional track record of delivering multi-million pound savings for prominent Public and Private Sector clients, our Organisational Excellence approach provides the skills and capability required to support clients to maximise efficiency, improve quality and reduce cost.
