

Linea Awarded to Health Trust Europe's Consultancy & Advisory Services Framework

Press Release

Linea Awarded to HTE's Consultancy & Advisory Services Framework.

Organisational Excellence specialist, Linea Group, has been successful appointed as a preferred supplier on HTE's National Consultancy and Advisory Services Framework.

Linea Group joins the likes of PWC, Grant Thornton and KPMG on the list of approved providers.

The framework will run for a period of up to four years, providing support to the public sector and private sector entities with similar procurement requirements.

Linea has been approved to provide services across three key lots:

Business Services - comprising; process redesign & improvement, programme & project management; and management consultancy services.

Resource Management Services - comprising; Human Resource Management and Workforce Optimisation services.

Supply Chain Management Services - comprising; advisory services for sourcing, procurement and

supply chain management.

Linea Group Chief Executive, Ian Chambers said, 'Linea has been an approved supplier under the HTE consultancy framework since its inception in 2012'.

'I am delighted that we are able to continue to offer clients quick and easy access to our innovative, cost effective solutions aimed at improving organisational efficiency & best practice through this extremely flexible and compliant procurement framework'.

If you require further information regarding the framework or Linea's services, please contact a member of the Linea Team.

Linea is a results focused Organisational Excellence consultancy with a track record of delivering sustained superior performance that meets and where possible exceeds client expectations.
