

Linea Wins in the 2017 North West Enterprise Awards

Press Release

Linea Group Ltd has been named as the winner of the **Award for Best Performance Management Consultancy 2017** in the 2017 North West Enterprise Awards, hosted by SME News.

The North-West region of England is home to some of the most diverse and revolutionary cities in the country. The birthplace of great music, famous football teams, iconic seaside resorts and beautiful historic towns.

The North-West Enterprise Awards 2017 are designed to seek out the very best firms and individuals in the region and celebrate their innovation, client care and performance over the previous twelve months.

About SME News

SME News draws on a UK wide network of industry insiders to provide readers with the latest news, cutting edge features and latest deals from across the UK SME landscape.

Brought to readers by an international provider of corporate news and information, it is the perfect resource for decision makers looking to keep their

finger on the pulse and stay ahead of the competition.

Linea's Chief Executive, Ian Chambers said 'We are extremely pleased and proud to have been given this award. At Linea, we strive to provide our clients with the best service possible.

Organisational Excellence is the basis of Linea's working practice, which of course is assisted by our team of highly qualified consultants.'

Linea is a results focused organisational excellence consultancy with a track record of delivering sustained superior performance that meets and where possible exceeds client expectations.

We combine the credentials of a top tier firm with the depth of expertise and flexibility of a niche practice to support clients in addressing their most pressing organisational issues through the provision of highly professional, innovative, customer focussed solutions which deliver expected business benefits on time every time.

With an exceptional track record of delivering multi-million pound savings for prominent Public and Private Sector clients, our Organisational Excellence approach provides the skills and capability required to support clients to maximise efficiency, improve quality and reduce cost.
