

Linea's Continued Success with the G-Cloud Framework

Press Release

Linea Awarded to the G-Cloud 9 Procurement Framework by the Crown Commercial Service.

Organisational Excellence specialist, Linea Group, has again been awarded to the G-Cloud Procurement Framework agreement by the Crown Commercial Service. G-Cloud is a Government approved procurement framework for cloud based technology.

Linea Group today announced that it has been approved to provide specialist Cloud services under the G-Cloud framework initiative for the 5th consecutive year. The approval means that public sector organisations will continue to be able to procure products and services directly from Linea Group.

In essence, this means Linea Group is trusted by **1,600 public sector organisations**, including 250 local councils covering 30,000 sites.

G-Cloud is a flagship Government scheme, introduced in 2012 to develop a secure, high-performance cloud infrastructure for the Public Sector. The objective is to ease the movement of computing services to the Cloud. Key features include assured security, standard management practices, approved suppliers and easy access to

technology; all aimed at making I.T. cheaper to run.

Under G-Cloud, Linea Group continues to offer Project & Programme Management and Software As A Service (SAAS) solutions to support the implementation of and migration to Cloud based services, but are please to announce the addition of Advanced **Digital Transcription Services**, innovative online **NHS Revenue Improvement System** and our sophisticated organisational efficiency tool **Affinity^{5™}**

Linea Group Chief Executive, Ian Chambers said, 'We are delighted to be awarded to the latest version of G-Cloud. Linea has now been providing our growing portfolio of specialist services to public sector clients through the G-Cloud framework for the last 5 years. Under the framework, we will continue to offer clients quicker & easier access to our services'.
