

Linea Recognised in Executive Search & Recruitment Awards

Press Release

Linea has been recognised in Executive Search & Recruitment Awards for their innovative approach to consultancy and specialist resourcing solutions, which align client and candidate interests in the development of market leading services which deliver rapid change, value for money and excellent return on investment

The awards celebrate leading companies operating in the resourcing industry, who provide clients with the best talent available. They focus on the accomplishments achieved in the last 12 months which are reviewed by a highly experienced and specialist team of business experts and advisors.

'Linea's Chief Executive, Ian Chambers said 'We are proud to have been recognised for our innovative services which enable clients to benefit from specialist resource on either a consultancy or interim management basis, depending on requirements. Enabling clients to benefit from the rapid deployment of specialist resource on an as and when required basis'.

Linea is a results focused organisational excellence consultancy with a track record of delivering sustained superior performance that meets and where possible exceeds client expectations.

We combine the credentials of a top tier firm with the depth of expertise and flexibility of a niche practice to support clients in addressing their most pressing organisational issues through the provision of highly professional, innovative, customer focussed solutions which deliver expected business benefits on time every time.

With an exceptional track record of delivering multi-million pound savings for prominent Public and Private Sector clients, our Organisational Excellence approach provides the skills and capability required to support clients to maximise efficiency, improve quality and reduce cost.
