Service Improvement and Transformation
Programme Manager

What are the most enjoyable aspects of your job?

I love the process of problem solving and the satisfaction of seeing it solved.

What was your first job?

I worked in a factory making display stands for the release of Titanic on video.

What skill would you most like to have?

Ballroom dancing

What did you want to be when you grew up?

The big dream was to be an astronaut

List 5 words that describe your character

Extroverted, happy, curious, dedicated, calm

What are your interests outside of work?

I am passionate about fitness and endurance challenges, I recently walked 100km for charity. Usually can be found up mountains.

What's the best piece of advice you could give someone?

Be yourself. You'll be more productive.

What's one thing you couldn't live without? These days its probably my phone!

If given a chance, who would you like to be for a day?

Commander of International Space Station

If you were stuck on an island what three things would you bring?

My guitar, picture of my daughter, penknife
