

Linea Awarded to Digital Outcomes & Specialists Framework

Press Release

sector clients, seeking to use innovation to drive efficiency and quality improvement’.

Linea awarded to the Digital Outcomes & Specialists Framework.

Organisational Excellence specialist, Linea Group, has been awarded to Crown Commercial Services - Digital Outcomes & Specialists (DOS) Framework agreement.

The framework supports the delivery of the Government Digital Strategy, through the provision of Digital Outcome and Specialist support to the public sector. Services under the framework include research, design, build, test and delivery of software applications and digital services.

Linea Group Chief Executive, Ian Chambers said, ‘Digital Innovation is becoming increasingly important in service transformation and quality improvement. Technology will continue to play a fundamental role in improving the quality and efficiency of public services’

‘We are delighted to be awarded to the latest version of DOS, which will enable us to provide our specialist and complementary solutions portfolio to public
